

16 April 1952

Dear Frazer:

I received through my brother your letter to him of March 28th, and I also had your earlier note giving me the interesting news that I had been elected to membership of the Admirals Club of the American Airlines.

I am most appreciative of what you have done in this connection, and as soon as I can get to New York, I shall get in touch either with you or Mr. Richard Fisher whose address you have given me so as to complete the formalities.

I recall our very pleasant trip across the ocean together, and send my kindest regards to Mrs. Frazer.

Faithfully yours,

Allen W. Dulles

Edmund J. Frazer, Esq.
